Time to pay options

The Smart Domain Group is one of only a few web design and marketing companies that offer a time to pay option with ownership at the end of it.

We understand that cash flow is sometimes a concern for any business - that's why we introduced a pay monthly with ownership at the end plan. You can spread the cost up to two years depending on the order value and we charge no interest rate or administration fee either!

Your options

Order value less than £1000 + VAT

Up to one year to pay

Order value between £1000 + VAT and £2000 + VAT

Up to 18 months to pay

Order value more than £2000 + VAT

Up to two years to pay

The Money Back Guarantee available on all Websmart web design packages still applies; we will refund any payments you have made if you are not 100% satisfied with our work. For full terms and conditions, please see our Money Back Guarantee details that are available on our website.
