WEB
smart

Websmart

Best for: Low cost solution if you love the content you have already but want a complete refresh and redesign using the latest responsive web design technology with a content management system to make changes yourself.

It comes with a host of features and benefits to get you more business.

Responsive web design. It's the latest technology that automatically resizes your website to work optimally on desktops, laptops, tablets and smartphones. Google love them and should give you a higher natural organic search listing

Content Management System – so you can easily make changes yourself (or simply send the change request to us)

Initial search engine optimisation – to get you found on Google

Outstanding after build support – to help you whenever you need us

Ongoing design updates – for any minor changes you want after the website is built

Free stock images if you want to update your pictures, choose from millions in our library

Free 12 months hosting – on our ultra-fast servers based in the UK (Google love that as well)

Free Domain Name – or transfer of your existing domain name

Free E-mail accounts – with the latest spam filters and a huge mailbox

Money Back Guarantee* – if you don't like what we have done we will give you any money you have paid back

Get an instant quotation now telephone 01634 810600 or 0333 666 7 888

Speak to one of our web design and marketing experts who will look at your existing website and will give you a firm quotation to rebuild your site. You will often get an instant quotation or give us a couple of hours if it's a little more involved!

Call today on 01634 810600 or 0333 666 7 888; you will speak with a marketing expert, not a salesman, who has the knowledge and expertise to take your business to the next level.
